Let your voice be heard!
Get creative!

Have your say on how we can put the needs of children and young people first so you feel safe and loved. It might mean:

- Promoting the things we are already doing right now to put children's safety and wellbeing first.
- Looking ahead and thinking about where we need to focus our attention in the future.
- Perhaps a bit of 'all of the above'.

Consider

- "I have a vision where children are listened to and feel safe...."
- "If I was in charge for the day I would...."
